Street Sign Request
Town of Upton

Request made by: Daniel Lam, Fivefork Farms

Date of request: 12/11/2015

Address: 153 North Street, Upton, MA 01568

Telephone: (cell) 617-967-2288

Type of sign requested: Caution sign - Tractor Crossing or Farm Crossing

Location: Two locations each for southbound and northbound traffic on North Street. (Please refer to attached map) Sign 1: At the lot line of Lot 17.1 and Lot 17 on the east side of North Street. Sign 2: At the lot line of Lot 6 and Lot 4 on the west side of North Street.

Reason: To prevent potential accidents involving speeding vehicles traveling on North Street and slower moving tractors, farm vehicles, and farm workers crossing North Street in order to reach planting fields on the east and west sides of North Street. (In the past several months, there were at least three near misses involving speeding cars and farm vehicles and a speeding car traveling southbound almost running over a worker near the entrance of the driveway of the farm's west fields.)
